Dear Parents/Carers

CATON GALA
Saturday 8th June 2019

This year, the Caton Gala theme is `Beside the Seaside`. We will be creating a scene on our float that is both under and beside the sea...!

HOW CAN YOU HELP US TO MAKE THE FLOAT FANTASTIC?

- We are looking for children (and adults) to **DRESS UP AS ANYTHING TO DO WITH IN THE SEA OR ON THE SEASIDE**. Google search can help with finding out about simple costumes that can be made for fish, shells, crabs, fishermen/women, scuba divers, sea creatures (things living under the sea, on the beach) swimmers, life guards etc etc etc !
- All children can help us with the decoration for the float by making seaside animals/creatures and other items - help and ideas will be sent out via each class this week.
- **Please return your seaside art - to school before the end of this half term.** (please help us now, even if you cannot join us on the day - thankyou)
- We also need some **LARGE PIECES OF CARDBOARD** to make the giant hanging fish etc, props and other scenery. Bring cardboard to school anytime from now onwards.
- There will also be one final **SCENERY CREATING SESSION** (drawing, cutting and painting - no previous experience necessary!) evening where as much or as little time as parents can offer will be much appreciated - **THURSDAY 23rd MAY 6-8pm.** We will also be covering the side panels that go around the float on this night

To assist us in planning the arrangement of scenery and the children`s seating on the float, please could **ALL FAMILIES** complete and return the slip attached by **Wed 22nd MAY**, indicating your availability on the gala day and support for scenery making.

Many thanks for your help and support

Julie and Mrs Price
