

3rd June 2019

EXCITING OPPORTUNITY TO LEARN HOW TO DEAL WITH AN EMERGENCY SITUATION

FIRST AID COURSE (including PAEDIATRIC FIRST AID)

At the recent PTA meeting it was agreed to purchase a defibrillator for the school and community, and to organise a First Aid/Paediatric First Aid course which we hope parents will find useful.

The course has been organised and will be delivered by a senior Paramedic, so this is an exciting opportunity for anyone to attend. Situations like choking, seizures, fits, CPR and wound dressing will be covered. This is an invaluable piece of training for any parent, teacher, grandparent or friend that feels they are not quite up to date with techniques and procedures in what to do should you need to assist in potentially saving a life.

The course is for two hours and will be held on **Thursday 27th of June 2019** from 17.30 - 19.30. venue to be confirmed soon.

The cost is £20 per person including refreshments.

If you would like to reserve a place, please complete the reply slip below and return to the School Office by **Thursday 13th June 2019 including the £20 fee**. Payment will need to be made to secure your place.

There are only 15 places available so if you are interested please return your reply slip to school as soon as possible. Don't worry if you cannot attend this one or it becomes full as we will be running another one early in the new school year. If you want to put your name down for the next one, we will contact you to book on as soon as we have the date.

Look forward to seeing you at this important event.

Kind Regards

Julie Pearson Chair PTA Board

I should like to attend the First Aid Course on Thursday 27th June 2019 17.30 – 19.30.
