

Half Term Curriculum Overview

Amethyst Class

Christian Values:

The Life & Teaching of Jesus Christ

Science

In science this half term Miss Jenkinson is going to be teaching us and we are going to be exploring different scientists and inventors. We are looking forward to learning how these amazing people shaped science in the past and the theories they formulated.

Religious Education

In RE this half term, Year 6 will be walking through the Bible with James Bovenizer and Year 5 will be looking at 'Life as a Journey' with Miss Jenkinson.

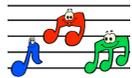

Topic

Our curriculum theme this half term is 'Travel Through Time'. We will begin our topic by looking at chronology and how a period of time is represented on a timeline. We will learn about BC and AD and also how we refer to periods of time in centuries. We will also be learning about how a street changes throughout time including trade links, settlements and land usage. We will also investigate different musical composers through time and also different artists through time.

Music

In music this half term we will be learning different songs as our **golden threads** to our 'Travel Through Time' topic.

Computing

In computing this half term we will be learning the skills of excel and understanding the uses of spreadsheets.

French

In French this half term Miss Jenkinson will be teaching us and will be covering how we travel to school and celebrations.

PE/Games

In PE/Games this half term we will be learning how to play Korfbal. We will be welcoming back Mr Barnes to deliver these sessions (Tuesday). We will also be learning skills of dance on a Thursday.

Reminders:

Please ensure children have their full **PE/Games kit** (including spare socks) in school at all times. Outdoor games kit (warm clothes) will be required on **Tuesday** and PE kit on **Thursday**.

Children should have their outdoor forest school kit in school at all times as we will try to get outside as much as possible.

Please make sure your child's clothes are named (especially jumpers).
