

Wednesday 11<sup>th</sup> September 2019

Dear Parents/Carers

### **Reading Club**

**3.15pm – 4.15pm**

**(First session Wednesday 18<sup>th</sup> September and last session Wednesday 16th October 2019)**

**No charge (donations of biscuits are always welcome)**

Reading club is back this half term! Reading club is on offer to children in Years 4 and 5. In this club we will be reading the book *Gansta Granny* by David Walliams. We will read chapters together during the session and discuss the story. There will be an expectation that set chapters will be read during the week at home. The set chapters could be read to your child as a bedtime story or they can read them independently. Hopefully your children will enjoy time with a good book and a little snack!

We have copies of the book in school to lend for the duration of the club. Your child is more than welcome to use their own copy if they have one. Spaces are limited and will be offered on a first come first served basis. With a waiting list if numbers are high. Please reply ASAP to avoid disappointment.

Please contact Miss Heap if you have any questions regarding the above arrangements.

Kind regards,

Miss Heap
