

Dear Parents/Carers

With the current situation worldwide, as a school we are trying our best to prepare for any eventuality. We have set up each pupil in school to have access to 'Google Classroom' which is an online platform for teachers to share ideas and activities for children to access at home, in the event of closure.

We have stuck a label into your child's reading record on the front page with your child's log in details and below is the information as to how you log in.

1. Go to <https://classroom.google.com/> or download the 'Google Classroom' app on a device.
2. Enter your child's email address into the sign in box – this email address is purely for logging in and cannot send or receive emails.

Google
Sign in
Use your Google Account

Email or phone

[Forgot email?](#)

Not your computer? Use Guest mode to sign in privately.

3. Enter the password on your child's label (inside the reading record)

Google
Tegan Turner
turnert@catonstpauls.com

Enter your password

[Forgot password?](#) [Next](#)

4. Click the + sign in the top right-hand corner, and click 'join class'

5. Enter the class code from your label

Join class

Ask your teacher for the class code, then enter it here.

Cancel Join

6. Once you have logged in, your child's teacher can upload links and fun activities for you to do at home. Please keep an eye out for any new links and activities!

Thank you for your support at this time of uncertainty, if you have any problems at all please feel free to email either of us and we will get back to you as soon as possible!
