

CONGRATULATIONS TO MRS HANGER AND FAMILY

We are all delighted to announce the wonderful news that Mrs Hanger is expecting her second baby due in November. We all know you will join us in sending her and her lovely family your best wishes. We look forward to meeting the new arrival and know that Rhys, Mrs Hanger's son, will make the most fantastic and caring big brother.

CHANGE AND WORKING TOGETHER

It's been very quiet at Caton St Paul's Primary School the last few weeks. However, we have enjoyed welcoming our children who have parents that are key workers, and also children and staff from Caton Primary School. It has been wonderful working together in this uncertain time.

SOCIAL DISTANCING

Please can parents ensure their children are aware of and adhering to social distancing where possible - even when they are 'out and about'. We need our children to have a good understanding of what 2 meters looks like, particularly before they return to school. A double bed? Two guitars? Get practising everyone!

VE DAY

We had some busy children and families celebrating VE day! Two of our very generous young ladies in year 2 and 5 received a lovely letter from an elderly lady thanking them for the 'goodies' they had left her. We thank all our children for bringing joy in difficult times. We thank all our families for being so wonderfully creative and caring.

CATON ST PAUL'S HUB

The children at Caton St Paul's hub have been 'forest schooling' – eating marshmallows, and singing campfire songs. They have been taking part in Joe Wickes, making and creating and generally having fun. All the children have been practicing the social distancing and hand washing at every opportunity.

HOME LEARNING

Despite Lockdown, all the children have completely embraced home learning on Google Classroom, and are making the most of developing life skills – such as baking, tidying, organising. All this as well as getting that all important 'daily exercise'. It's been lovely to see our children enjoying the sunshine and taking a walk, run or bicycle ride every day.
