

18.9.20

Dear Parents/Carers,

We have now finalised our extra-curricular offer for the Autumn Term. Due to current restrictions, we are not able to offer a full range of enrichment activities: please bear with us as we have tried to ensure there are opportunities for all children to safely enjoy something additional at our school.

Clubs are either bubble-specific or class-specific. This is due to safety measures in place because of Covid-19. We will review our provision at Christmas, in time for the Spring Term, to see if we can widen what we offer.

We also have to restrict numbers for some clubs to ensure children are safe. If we have too many children sign up for a club, we will inform parents whether your child has a place. We will then rotate the children after a period of time to ensure everyone has a chance.

Please fill in a reply slip and send it to the correct teacher for each club your child is hoping to attend. Clubs will begin wb 21.9.20 (**with the exception of the Monday clubs, Cosmic Yoga and Eco-committee**) which will start wb 28.9.20). Please ensure your child has correct kit for their club on the correct day. If you cannot print a letter out, please email your completed slip to bursar@stpauls.lancs.sch.uk or head@stpauls.lancs.sch.uk and we will ensure it reaches the right teacher.

If you have any questions, please don't hesitate to ask.

Many thanks
