

Notice of Parent Governor Vacancy

Dear Parents

Governors and I would like to inform parents that we now have **1 Parent Governor Vacancy** at our school.

Our Governing Body continues to develop a team of members who have a broad and balanced set of skills that can be utilised effectively, to develop our school and its place in the community. Each year, Governors evaluate the skills of the Governing Body in order to ensure we have support and expertise in all areas of Governance.

We are currently looking for any Parents who may have skills that can support the many areas of school governance. We have a team of enthusiastic members who are able to support all new Governors and we welcome applications from any parents who feel they will be able to positively contribute to our Governing Body.

Parents do not need to have School Governor experience or a qualification in the above areas, just a desire to give a little time and energy to supporting the Headteacher and Governing Body in developing our fantastic school.
