

1st September 2020

Dear Parents and Carers

On behalf of the Governing Board I would like to welcome you all and your children back to our new Autumn term. There have been many changes and challenges over the last six months, and I am proud of how well our leaders and staff have dealt with these to ensure your children's safety and continued learning. It was lovely to see many of our children return to school at the end of June, their joy at being back in school and with their friends such a pleasure to see.

Mr Gittins, our Headteacher, will have been in contact with you regarding any changes for the new term, and will continue to let you know how he and his team are managing the transition back to a full opening of school on the 3rd of September. An up-to-date risk assessment is constantly being reviewed as measures are put in place to mitigate any issues regarding fully opening school, so you may feel confident that your child will be safe and well. I'm sure Mr Gittins will also personally address any concerns or questions you may have.

The Governing Board fully supports Mr Gittins and the leadership team in this, and it is our expectation that all children will return to school on the 3rd of September unless there are certified medical grounds for them not to attend. We want to see all our children progress and reach their full potential despite the challenges of this last six months, and I know our staff will work extremely hard to help them achieve this with your continued support, for which we offer you our thanks.

Yours sincerely

Anna Shone Chair of Governors, Caton St Paul's C of E Primary School.
