

## Lockdown school

I would like to say a huge thank you to all our families, whether you are remote learning or having to use our critical worker provision.

We have been really impressed with how families have adjusted and adapted their work timetables to be able to keep the children at home as much as possible. We will endeavour to continue to provide places for those vulnerable children and critical worker families that have no other choice.

If you have any difficulties, please let us know – we are here to help. Email your child's class teacher in the first instance.

We still have a couple of devices left to loan out if you feel these will make a difference to your home learning experience.

Let us know if you need a paper pack – these are available from 10am on Monday morning.

## Wellbeing Friday afternoon

On Friday 5 February, our afternoon activities will be based around family activities to help with mental health and wellbeing. Each teacher will upload these onto Google Classroom. There is no pressure to complete them – this would defeat the object! Please upload any photos and videos onto Google Classroom for us to see.

## Facebook Live

Tune in at 4pm today as we go 'live' on Facebook to try and bring some cheer to our CSP community at this difficult time. If you have any shout outs you want mentioned, please send them to [head@stpauls.lancs.sch.uk](mailto:head@stpauls.lancs.sch.uk) before 3pm.

## Courageous advocacy

Courageous advocacy is all about making a global difference on a local scale.

We are very proud of our own Georgia T in Amethyst class. Georgia won a mask design competition and has donated 500 of these to St John's Hospice. So far, she has raised over £200!

You can purchase one of these for a suggested donation of £5. Georgia's mum is happy for you to contact her on 07780996113 or [judez1411@gmail.com](mailto:judez1411@gmail.com) – they will then deliver your mask on their daily walk.

Georgia says, "Thank you for your support. (And Mr G looks great in his!)"

From all of us at CSP, well done Georgia!

## School Lunch Choices

School lunch choices for the week commencing 1 February are:-

Monday – Pork sausage brunch or cheese slice.

Tuesday – Jacket potato with cheese and beans or pasta.

Wednesday – Roast dinner or quorn curry.

Thursday – Burger in a bun or jacket potato with cheese and beans.

Friday – Pizza or sausage roll.

## Bike Helmets

If your child is cycling to school, please ensure they wear a helmet to ensure they are safe on their bike. Thank you.

## Times table Rockstar Challenge

Mr G is setting you all a challenge. Practise your times tables and see if you can beat him in a Rock Slam!

You need to click in Rock slam and challenge him; his avatar is Eric Mercury in Sapphire class – look out, he's a Rock god!

Rules:

You can only challenge once a week (he does have other work to do as well!)

A prize for anyone who is successful in their challenge.

Good luck all you Rock stars out there.

## Corinthians Day

We are holding a whole school theme day on Friday 12 February based around Corinthians 13:4-8 'Love is patient...'

On this day, there will be a change to our usual remote learning offer. We will upload a range of different types of activities for you to choose which ones you want to get involved in. We are asking you to upload photos and videos to Google Classroom.

There will also be video worships from local vicars and also NISCU.

We hope you enjoy this day and it helps towards the mental health and wellbeing of yourself and your child, as well as bringing us together as one family.

## Thank you

We would just like to say thank you to the Hillcroft Nursing Home who kindly donated an iPad to school for pupil use. It is much appreciated and will make huge difference.
