body, and each member belongs to all the others'.

Y6 Leavers

Our Y6 Leavers have had a lovely few days in school: Coniston residential, Leavers party and water fight, Leavers service this morning, Leavers parade this afternoon.

We are very proud of the way they have faced adversity this year and continued to be role models to the rest of school, modelling our Christian values to the rest of the children.

We thank them for their efforts over the last 7 years and wish them well for whatever the future might hold for them.

For those parents for whom this is your last child at CSP, we thank you for choosing us and wish you and your family a great deal of happiness.

For all the parents who are returning in September, have a lovely, relaxing and safe summer holiday and we will see you on Thursday September 2021.

Staffing news

In a late development, Miss Turner is leaving us today to take up a full-time post closer to her home in North Yorkshire. We thank Miss Turner for her efforts over the past two years: teaching, making videos, keeping the website up-to-date and countless other activities. She will be sorely missed but we wish her well for the future.

To keep continuity in Diamond Class, Mrs Riley will now work Monday – Thursday and Mrs Pollitt on a Friday. This means we still have two experienced members of staff in Diamond class and ensures children will continue to have a positive start at CSP.

Mrs McCarthy will no longer be a welfare assistant at school as she takes up a TA role elsewhere. You will still see Mrs McCarthy at Wraparound Care Club.

Mrs Ward also leaves us to take up a TA role elsewhere. We thank Mrs McCarthy and Mrs Ward for their efforts as welfare assistants and know they will make a great success of their new posts.

We have already informed you of the departures of Mrs Edwards, Mrs Burridge, Miss Walsh and Mrs Assitt. These four all leave us for pastures new and we are very grateful for all their efforts over the past few months and years – they all leave a legacy that has improved our school.

Mrs Natalie Sutcliffe joins us as a L3 TA to work in our Pre-school and Wraparound Care Club from September.

Mrs Cameron joins us to teach in Emerald class from September. We know you will join us in extending a big CSP welcome to them both.

We still need a cleaner and a welfare assistant for September. Please see [Vacancies at CSP](#) for more details.

Year 6 leavers' awards

The Year 6 leavers' awards this year went to:-

Artistic award – Jack

Sports award – Trudy

Christian values award – Rudi

Special recognition award – Vrinda

Headteachers award – Charlie

Governors award – Georgia T

Summer holidays and return to school

We break up today at 3:10/3:15pm and will return to school on Thursday 2 September.

Our start times in September will be from 8:45 – 8:55am and children can arrive and enter the building at any point during these times. We have found the slightly staggered start has made a big difference to congestion outside school.

We will update all other procedures towards the end of Autumn, including entrances to drop children off at.

Please remain vigilant at all times: the actions of a few mean we can't invite people to use our grounds over summer. This year, we have seen vandalism, fires started in forest school areas and broken glass and beer cans left on site.

There are also a lot of workmen on site over summer that will need complete safe access at all times. Please keep your children and the community safe by asking them to play somewhere else. Thank you for your continued cooperation.

Building work

On last week's newsletter, we brought you up to date with all the building work that is happening over summer: new staff room, new Amethyst classroom, new KS2 breakout space, new Pre-school area and additional toilets for Diamond class.

As well as this, we are shelving the Old Library to provide a more pleasant breakout space for KS1 as well as a more efficient storage solution. Also, our KS1 play area will be re-edged, dug out and all the bark replaced. The Council will be trimming the hedges, weeding and cutting the grass.

We hope that all these works will mean our school is spick and span in September – please bear with us if it's not!

All staff are working hard to clear school ready for this work to commence, If we find any lost property, we will keep it and display it in the first week back after summer.

Covid-19

As you will now be aware, school are no longer responsible for contact tracing – this has been taken over by Test and Trace. This means we will not be in bubbles in school when we return in September. This will be a welcome relief for children, parents and staff.

If a child or adult in school tests positive, Test and Trace will make contact with parents of children deemed to be close contacts. This means, from September, children will be expected to be in school unless contacted.
