

Sport's Bulletin – Autumn Edition.

Introducing to you our very first **School Games Committee**. Their first job was create our termly Sports Bulletin using their wonderful skills to help report and celebrate the fantastic sporting activities that have been happening this term. The school year got off to a great start with children finally having the opportunity to play against other schools and participate in many different events.

Girls' Football

A few weeks ago Year 4,5 and 6 girls went to Carnforth for a football tournament, where they played against four other teams. With their amazing skills they managed to score four goals to win the tournament and each received a gold medal!!

We have talked to some of the girls and here are their thoughts: "We did very well and are very proud of ourselves." Lily, team captain, was thankful that everyone was a team player. All players showed great sportsmanship and at the end all players said well done to each other. Our school is very proud of them and we can't wait until they play their next tournament.....

The girls' team has just played their next tournament and had another fantastic time, winning two of their matches.

Boys' Football Year 3 and 4

Year 3 and 4 boys had fun at their football tournament and scored many goals. They enjoyed their experience of competing against teams. With their talent and encouragement, they managed to come second, and each were awarded a silver medal. Our school is very proud of them! We have talked to some of the players and here are their thoughts:

“We felt nervous before the game, but as we got into it, we felt more confident. We all encouraged each other and the teachers too. Altogether we scored 14 goals and we are very proud of that! At the end we said well done to all the players and showed good sportsmanship. It was an amazing tournament, and we are very excited for the next one.”

Year 5 and 6 Boys' Football

The older boys had opportunity to go to a football tournament and came second by one point! They had so much fun and enjoyed every moment of it.

We interviewed three of the boys and this is what they said: “We felt very proud of everyone and were amazed when we came second! Our teammates and teachers supported us, which was wonderful. Altogether we scored 13 goals and were unbeaten in 5 matches. We had such a good time and showed amazing teamwork. We said well done to everyone and at the end we were all so happy.”

Indoor Athletics

A couple of weeks ago our Year 4, 5 and 6 children went to an Indoor Athletics competition. They competed in Speed bounce, running, javelin, and shot putt. It was the school's first time at the Indoor Athletics, and they did brilliantly, came first and won!

We interviewed two Year 6 girls who said: "we came first place and when I found out I was so excited. My school and Mr Gittins supported me to do the competition and I am really happy they did. Our favourite part was when we did the speed bounce and sprinted two laps."

The children were so happy that they won and can't wait for their next event.

Lancashire School Active mile

All children took part in running, skipping, hopping, or galloping a mile around the cinder track and had a fabulous time.

Reindeer Dash

The term ended with all children and many parents, taking part in the Reindeer Dash to raise money for St John's Hospice. Everyone ran at least 5 laps (a mile) and some did many more!!
