

All around the world

## Curriculum Overview

### Summer 1: Ruby Class

Christian Values:  
Service

### Science

This half term we will be learning about plants. The children will make predictions and plan experiments to understand what plants need to grow. They will observe and identify a range of different plants.

### Religious Education

In RE this half term we will be learning about creation and will be enjoying visits to St. Paul's Church.

### Topic

Our curriculum theme this term is all around the world.

In history we are learning about nurturing nurses. The children will research and compare Florence Nightingale and Mary Seacole.

### Computing

In computing we will be learning about animation. This will enhance our understanding of algorithms and programming.

### PSHE

We will be focusing on physical health and mental wellbeing.

### Design technology

We will be learning about salads. The children will be able to use kitchen tools to safely prepare a salad.

### PE/Games

Days: Wednesday and Friday.  
In PE/Games this half term the children will develop and master the FMS including throwing under and over arm.

### **Reminders:**

Homework will be set on Google Classroom on a Friday.

Maths challenges to enhance the children's maths skills will be set on Mathletics.

We do enjoy a run around the cinder track so a pair of trainers in school is helpful.
