

Sport's Bulletin –Summer Edition.

Our Summer edition of the sporting life of Caton St Paul's brings news and celebrations in photos. Another amazing term, finishing off a fantastic year in the life of our school. We thank God for the gift of physical activity and the joy of participation. Let the photos tell the story

The Queen's Decree

To you, the Commonwealth athletes, I send my good wishes for success in your endeavours. Your accomplishments over the coming days will encorrange us the strengthen the bonds that unit eus. You remind us that young people, those use 25 years of age, make up hal of our Commonwealth truitens, and it is to you that we entrust our values and our future. I offer my sincere thanks to the many organisations and volunteers who have worked dilegently to bring the eaders to fruition, and indeed to the spectators here in the stadium and to the million watching on telesion. Together, you all play a part in strengthening our friendships in this modern and vibrant association of nations."

Caton St Paul's Decree

At Cation St Paul's in our sporting endeavours, whether in PE lessons, entry curricular clubs, or representing the school, we seek to exho the values of the Commonwealth Games. We do this by including everyone, promoting Barnes, and giving the opportunity for all to fulfil their true potential, whist having a positive provides the school of the s

At Caton ST Puri's we have and will continue to demonstrate the joy of participation, perseverance, determination, dong the best we can do and community, whills consistently long out our school 'contenues and future our school vision of being one family. Usedneys, believing and earning tegritori. The biole says – And let are new the persense are new name and earning tegritorie on Jacus, to give and perfectent of this. We give thanks to God and celebrate(!!!
