

Termly Curriculum Overview

Autumn: Sapphire Class

Science

This half term we will be learning about properties of materials. We will be investigating reversible and irreversible changes.

Christian Values: Thankfulness and Trust

Religious Education

In RE we will look at the Bible, and discover differing versions of the Bible and how it has been translated. We will also look at the nativity as recorded in Gospels of Matthew and Luke.

Art and DT

In art this half term we will study the work of the artist LS Lowry and the city of Manchester, linking to perspective. We will be looking at structures in DT and making marble runs.

Topic

In history we will be exploring the Anglo - Saxons
This will link well with our outdoor learning tasks. We will consider the chronology of these time periods.

Computing

In computing this half term, we will be learning about online safety and developing our coding skills

French

Describe people, places in town. Transport; Décris-toi; En ville; Transport

Music

Mama Mia! Perform and share.

In Geography we will be exploring what it's like to live in Manchester. Linking to our Art work.

PHSE

Families and friendships

PE/Games

Days: Monday and Wednesday.
In PE/Games this half term we will develop our invasion games skills by playing rugby. We will develop our movement skills in gymnastics. Year 5's will be swimming on Wednesdays.

Maths

Number Place value. Decimals. Written addition and subtraction. Statistics. Geometry and measures. Mental Multiplication. Mental Division. Written Multiplication and division. Fractions. Multiplication and area. Length and Perimeter. Time.

English

Adverbs, punctuate complex sentences using simile starters. Demarcate complex sentences using commas and explore ambiguity of meaning. Text: Beowulf.
