

## Autumn Term Curriculum Overview

Topaz Class

Christian Values:

Thankfulness and Trust

### Science

This term we will be learning about the uses of every day materials. After half term our topic is Animals including Humans.

### Religious Education

In RE this half term we will be learning about why the Bible is such a special book, and after half term our topic is Christmas.

### History

In History we will be learning about the Titanic, the different jobs aboard the ship and plotting a timeline of events up to when it sank.

### Geography

In Geography our topic is Sensational Safaris. We will be locating savannahs around the world and learning about the animals that live there.

### PHSE

Families and friendships and safe relationships.

### Computing

In computing this term we will be learning about coding and programming moving pictures for EBooks.

### Art

In art this term we will be using digital media to make prints of Arctic scenes and using pencil to make drawings of Arctic animals.

### PE/Games

Days: Wednesday and Thursday.  
In PE/Games this half term we will be learning gymnastics and ball skills.

### Music

In Music we will be using our voices expressively and creatively by singing songs, speaking chants and rhymes.

**English:** In English we will be reading the book, *The Way Home for Wolf*. The Children will write their own story in the structure of this story. The non fiction texts will be information texts and nonchronological reports. The children will research wolves and write an information page about them. They then choose an animal to research, write a fact file and include this animal in their narrative story. We will also be reading and writing Christmas poems.

**Maths:** In maths our topics this term are 'Number and Place Value', 'Addition and Subtraction' and 'Shape'.
